

P•770

FEATURE	BENEFIT
SOLID FORGED FEEL	Improved for a more solid feel like never before. The 2024 P•770 has been strategically tuned using a player's forged construction and modal analysis to create a notable improvement and the best feeling P•770 to date.

MODERN PLAYERS IRON	Precision milled face and grooves coupled with TaylorMade's FLTD CG™ deliver the launch and spin modern players demand. Long and high launching forgiveness in the long irons with accuracy and workability in the scoring irons.
----------------------------	---

CONSISTENCY	Consistent ball striking and accurate shot making from a forged iron construction designed with meticulous mass optimization and an updated tungsten weight design for more forgiving long irons.
--------------------	---

REFINED SHAPING	Refined shaping for a cleaner look and improved turf interaction. The 2024 P•770 has a thinner topline visual balanced with a confidence inspiring, compact head shape. A newly modified leading edge design helps deliver consistent shot making and crisp turf interaction.
